

HELPING HANDS MINISTRY

A number of men and women within LNPC are willing and able to provide assistance to those “in need” of a little help around their homes or those that are “technologically or time” challenged. We have people to change light bulbs, fix toilets, re-hang doors, fix sprinkler systems, move boxes or furniture, dissembled items and reassembled them, and have done small construction projects.

If they can't do the job, there is a list of contractors that can bid on the work.

Our motto is “no job is too small, if we can't do it, we know who can”.

Call the LNPC office (949) 249-1218 or Sam Johnson (949) 661-2818 to make an appointment.

Frequently Asked Questions

How much does it cost?
